### Befriended Boy Steals From His Benefactor

After affording a homeless boy a comfortable home with plenty to eat and a good bed to sleep on, Herman Zeitlan of 805 Seaview avenue, has been robbed of two gold watches and the boy is gone to parts unknown. Zeitlan is a Jew. While walking by Main street and Fairfield avenue Tuesday afternoon he came across a boy, who was in tears, wandering about the street. Zeitlan learned that he was an orphan and that he came here from New York, where he had lived the life of a "dock rat," sleeping along the water front on East river. Zeitlan brought the boy to his home and gave him something to eat and a room at his home with the understanding that he would do the chores. Yesterday morning he boy asked Zeitlan for the key to the house, saying that he wanted to get something he had left in his room. At this time the Jew was engaged in repairing his automobile. He gave the key to the boy.

In accordance with an agreement made with the board of charities more than a month ago, Dr. Joseph E. Beaudry of the emergency hospital staff yesterday tendered his resignation and it was accepted by the board at a meeting held yesterday. At the annual meeting held early in March, Dr. Beaudry was allowed to remain on the emergency hospital staff with the understanding that he resign his position before June 1. He has complied with the order and Dr. John F. Canavan, substitute physician, was appointed a regular member of the staff, to succeed Beaudry. Dr. J. T. Powers, who has been acting as substitute physician for the last few days, was not regularly appointed substitute physician. The board has another physician under consideration for the position.

## LIGHTNING AND FIRE DEMOLISH 2 TWINE SHOPS

### First Thunderstorm Results in Wiping Out of Town's Industries.

Westerly, R. I., April 21—Lightning and fire destroyed the principal industries of the town of Canoechet, near here, early today, causing a loss estimated at \$75,000. A storm, during which the lightning struck, swept over much of the southern part of the state, severing wires so widely that a number of points were still out of from this means of communication some hours later. It was believed, however, that the greatest damage was at Canoechet. The Union Line & Twine Co., and the Canoechet Line & Twine Co. mills were burned after lightning struck the latter plant. Damaged and set on fire by another bolt, the cotton mill of Lafayette L. Edwards escaped destruction because of its stone and cement construction. The house of Oscar Edwards was also wrecked although it was not set afire. No deaths were reported.

## COUPLE ARRESTED AS SLAVERS HELD FOR HIGH COURT

New Britain, April 21—Peter Carolina, alias Jimmy Brus, 26 years old, and Mrs. Mary Naples, a woman in her fifties, were bound over to the June term of the superior court in the local police court today on two counts charging them with white slavery. Bonds were fixed at \$2,000 each. It is alleged that Carolina, who formerly worked at the Princess theatre, in Hartford, brought Elizabeth Druett, 23 years old, to Hartford from New Bedford, Mass., and subsequently for immoral purposes. Both himself and Mrs. Naples are charged with this offense. When arrested Mrs. Naples had purchased a ticket for Boston.

## Official VIEWS OF World's War FRENCH

Paris, April 21—The French continued to make progress in the region of Dead Man's Hill, on the Verdun front, in the fighting of last night. The war office announcement of this afternoon reports the capture of German trenches and of four officers and 150 men. East of the Meuse a force German attack was repulsed. In the sector south of Haudremont Wood, the French made gains.

The text of the statement follows: "West of the Meuse the attack undertaken yesterday by our troops in the region of Le Mort Homme (Dead Man's Hill) progressed during the night. In addition we seized a trench on the northern outskirts of the Caurettes Wood and made prisoner four officers and 150 soldiers. "East of the Meuse a violent bombardment of our positions was followed at the close of the day by a powerful offensive action by the enemy on a two-kilometres front between the Thiaumont farm and the pond of Vaux. The Germans who had gained a foothold in our lines south of Fort Douaumont and north of the pond were completely thrown back by our counter-attacks during the night. Two machine guns and a number of prisoners fell into our hands. "West of Douaumont in the sector south of Haudremont Wood we likewise made progress. We rescued some wounded French prisoners and cap-

## Children's Wouldn't Speak To Him, Says Tailor Under Arrest

Because his children didn't greet him when passing on the sidewalk Harry Labowich, 127 Bunnell street, refused to continue to pay for the support of three minor children. He was arraigned in city court today on a charge of non-support. Labowich is a tailor with a place of business at Golden Hill and Middle streets. He is said to be doing a large business. Labowich quarrelled with a son three years ago and in order to have peace he left his wife and children. There are six children in the Labowich family. Three of them are working. Labowich continued to pay \$5 a week for their support until last July when he suddenly ceased. He said he used to give the money to one of the children but that the child stopped visiting him. Labowich did not seem it advisable to go to his former home to make the payments. He said he was always willing to make the payment providing the child came after it. Labowich was ordered to pay his wife \$3 a week and furnish a bond of \$200 or go to the county jail for 30 days. He chose the former course, and was released under a cash bond, which he furnished. Sales of British exchequer bonds and treasury bills last week amounted to \$25,000,000.
